It is stated that the site selected for building measures about 603 Sq yds and belongs the Harihar Municipality The cost is calculated approximately Rs 10000/-

The PMG Madras requests that action may be taken to transfer the site to his dept in accordance with para 460 of the P&T Manual an extract of which also is enclosed ~~[illegible]~~ to the letter

The P M G Madras wants the site to be acquired. It is not, however, usual to acquire under the ~~Land~~ Mysore Acquisition Act lands belonging to local bodies & required for public purposes. It appears from the P M G's letter that the Municipal is agreeable to sell the site to the postal dept. but the price of Rs 16/- per sq yd asked for by the Harihar Municipality appears rather high. The DC Chitaldrug may be requested to arrange for the transfer of the site to the postal dept at a reasonable cost

Subject, Site for the construction of a post office at Harihar.

Sir,

With reference to your letter No L 17811 dated 28-6-47 and letter No L 724 dated 10-7-47 on the above subject stating that the value of site ie , Rs 10,000 (at Rs 16/ per yard) proposed to be granted by the Harihar Municipal Council to the postal department is extremely abnormal and asking me to intimate the value of the site which could be reasonably demanded etc ,I have the honour to state as follows,

The Superintendent of post offices,Bangalore in his telegram No XP N 1 29 dated 29-10-1946, intimated that the site selected for the construction of a building for the post office at Harihar has been proposed to be sold in auction and requested to stay further action The President of Harihar Municipality was requested in this office memo No A6 C 50/46-47 dated 30-10-1946 to stay the sale of the site and to furnish the resolution of the council re grant of this land to the postal department The Municipal Council, at its meeting held on 3-8-1947, has resolved that (1) as this site is situated in a very prominent locality behind the bus stand by the side of Shimoga Malebennur road ,the rate at Rs 16/ per Sq.Yd is fixed and (2) as no reply was received from the postal Department agreeing to purchase the site at this rate, the site was advertized for sale in public auction on 30-10-46 and that the first bid for this site was for Rs 1,100/ by Mr Abdul Rub,but further action was stayed by the Deputy Commissioner in his memo dated 30-10-1946 as the postal department applied for this site (3) the postal authorities have agreed to purchase this land in letter No D B B P 2067 dated 29-4-47 received from the Additional Chief Engineer,New Delhi (4) the rate fixed is quite reasonable as it would realise more money if it is sold in public auction and requests to obtain sanction of Government

10,100

The

The Sub Division Officer ,Davangere who was consulted in the matter reports in his No.P R 1/47-48 dated 28-8-47 that the site proposed belongs to the Municipality and that the value of the site fixed by the Municipal Council is very prohibitive and that it may be reduced

This site is situated in a very prominent locality and the President reports that the Price fixed by the council is resonable as this site may fetch more if it is sold in public auction As this site is proposed to be purchased for the post office and as there is already a bid of Rs 10,000/ for this site,the value of the site may be fixed at Rs.10,000/.

All the connected papers ending with report No P R 1/47-48 dated 28-8-47 received from the Sub Division Officer,Davangere are enclosed for favour of reference.
